

JUNCTION CITY HIGH SCHOOL'S
RECORD-SETTING SEASON

HON. MIKE ROSS

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 20, 2004

Mr. ROSS. Mr. Speaker, on the afternoon of December 13, 2003, at War Memorial Stadium in Little Rock, the Junction City High School Dragons team made history by capping off a perfect 15-0 season and winning its first Class AA state football championship. It was celebrated by a community, which braved the winter conditions to see the culmination of a record-setting season. This team personifies the spirit of determination and hard work that has always distinguished Arkansans.

As a parent, I understand the demands that our young people face. As members of the community, we are all aware that education is as important as any other issue we face. Each day, our children learn lessons in the classroom that will prepare them for the days and years ahead, and we work hard to see they are given the tools they need to compete and succeed in life. The success of the Junction City High School football program exemplifies how the lessons learned on the field of competitive athletics can often supplement the education learned in our classrooms. I have long been an advocate of athletics and extracurricular activities as those activities broaden academic excellence by instilling leadership, character, and teamwork in its participants.

At a time when our country needs youth leadership more than ever, this team has answered the challenge and set a course that can serve as an example for us all. Along with the school's first-ever championship, the records compiled by this team are truly impressive: An all-time state scoring record, the longest winning streak in school history, and the most wins in school history. It's about more than records or trophies. Championships are won in the heart as much as on the field. The will to overcome adversity, the daily drive to succeed, and the mental toughness to perform under pressure carried these young men during their championship season, and will provide them with a well to draw from throughout their entire lives.

It brings me a great deal of pleasure to again congratulate the Junction City High School football program on their tremendous season and first-ever Class AA High School Football Championship. We all take pride in you and all you have accomplished.

HONORING OLIVER BIRCKHEAD AS
A GREAT LIVING CINCINNATIAN

HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 20, 2004

Mr. PORTMAN. Mr. Speaker, I rise today to recognize Oliver Birkhead, a dear friend and constituent, who will be formally honored on February 26, 2003 by the Greater Cincinnati Chamber of Commerce as a Great Living Cincinnati, one of our region's highest honors. The recipients of this prestigious award are selected on the basis of special professional achievement; an awareness of the needs of others; civic service; leadership; and distinctive accomplishments.

A native of Brooklyn, New York, Mr. Birkhead graduated from Trinity-Pawling School in Pawling, New York; Nichols College in Dudley, Massachusetts; and the Stonier Graduate School of Banking at Rutgers University. Mr. Birkhead says the banking business was really in his blood: his father was the first Supervisor of National Banks in President Taft's administration. In 1937, Mr. Birkhead began his career in the banking business with the Peoples National Bank and Trust Company in White Plains, New York.

After a stint in the U.S. Air Corps, Mr. Birkhead was appointed assistant national bank examiner in the Second District of New York. From 1948 to 1951, he worked for Chemical Bank, then joined Central Trust Company (now PNC Bank) in Cincinnati. At Central Trust, he was elected an officer in 1951 and became executive vice president and director in 1967. In 1968, Mr. Birkhead was involved in the founding of Central Bancorporation and became CEO of its lead bank, The Central Trust Company, a position he held for 17 years. When he became president and later CEO of Central Bancorporation, the company's assets were approximately \$500 million; when he retired in 1988, the company's assets were \$5.2 billion. When Central Bancorporation merged into PNC the result was a \$43 billion regional banking company, and Mr. Birkhead served as vice chairman and director of PNC Bank until he retired in 1989.

Mr. Birkhead's civic accomplishments have touched nearly every facet of Greater Cincinnati. He was a trustee, vice president and executive committee member of the Cincinnati Art Museum, and advisory board member and vice chairman of the Salvation Army. He also served on the boards of the Boy's Club of Cincinnati; the Cincinnati Association for the Blind; and the Cincinnati Council on World Affairs. He has been a leader for Xavier University's Capital Fund Drive; the University of Cincinnati's Annual Business Campaign; the National Conference of Christians and Jews (now the National Conference for Community Jus-

tice); the Greater Cincinnati Chamber of Commerce; the Cincinnati Business Committee; and the Statue of Liberty Centennial Commission. With several others, he led the original financing that formed the Cincinnati Bengals.

The recipient of many awards for his community service, Mr. Birkhead was honored by Ohio Governor John Gilligan with the Governor's Award for Community Action and by the Urban League. In 1986, he was presented with the Israel Peace Award by the State of Israel.

He is also devoted to his family, and his wife, Jane, is an active and effective volunteer in Greater Cincinnati. All of us in Greater Cincinnati thank Mr. Birkhead for his service to our community and congratulate him on being named a Great Living Cincinnati.

HONORING THE DISTINGUISHED
PUBLIC SERVICE OF TOMMY
SANFORD

HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 20, 2004

Mr. GORDON. Mr. Speaker, I rise today to recognize Tommy Sanford for his 22 years of service as the assessor of property in Rutherford County, Tennessee. Tommy was first elected in 1982, and since then, he has never had an opponent. But he has decided to retire from that position at the end of his current term.

During Tommy's tenure, the number of property parcels in the county has more than doubled, and the appraised value of all county property has increased by more than \$10 billion. To keep up with all the work fueled by the county's phenomenal population growth, Tommy's staff has grown from 8 to 33 employees. And he is quick to give his employees credit for the success of his office.

Tommy also organized and supervised the county's reappraisal department and oversaw the implementation of the county's new digitized mapping system. A progressive and dedicated public servant who strives to treat all Rutherford County property owners fairly, he has received more than 40 awards, including the 1989-90 Tennessee's Outstanding County Official.

His unflinching dedication and tireless service to the county will be sorely missed. I congratulate Tommy on his outstanding career in public service and wish him well in his future endeavors.
